

**AFFIDAVIT OF DAVID E. WILKENSON**

1. I understand that recently there has been a complaint of a "barking dog" made concerning my brothers dog "Arlo" who lives at, 236 Red Mesa Heights.
2. I was raised at that address and know the neighborhood very well.
3. I currently live on Glade Park, but I receive my mail, and have my workshop at 236 Red Mesa Heights. I am there everyday for at least a couple of hours and sometimes all day.
4. I have never heard Arlo bark without reason. He is a watch dog and for a young dog does his job very well. I have never heard him bark unless there was a strange person or animal going by the property.
5. There are many other dogs who live in the neighborhood and who I hear bark a lot more often than Arlo.
6. My brother has built a fence around the property to keep Arlo under his control at all times. Arlo has never been outside the fence and is not allowed to run through the neighborhood at all, ever.

Under penalty of perjury, the undersigned swears the statements of fact in the foregoing, AFFIDAVIT OF DAVID E. WILKENSON, are true to the best of his knowledge and belief.
